

DEVAUN PARK – FENCE LOCATION CONFIRMATION - FORM G2 LOT #: _____

D.P. STREET ADDRESS: _____ DATE: ____/____/____

OWNER: _____ CELL #: _____

EMAIL ADDRESS: _____

Please complete and sign this form BEFORE installation of your fence. Return to a member of the ARC. Schedule an inspection by an ARC member to get final approval of your fence installation. Property corners must be located by a licensed NC surveyor.

The property owner shall provide a plat of survey by a licensed NC Surveyor to the ARC for ARC approval prior to proposed fence installation. The plat at minimum shall denote the lot number, street address, owner, property lines, property corners, utility box and pedestal locations within 5 feet of property lines. Property corners and fence corners must be staked and flagged.

A permit is also required from the Town of Calabash. The property owner must provide an approval email from Devaun Park’s ARC along with the property owner’s survey to the Town of Calabash. A \$50 fee will also be required by the Town. A copy of the Permit is to be provided to the ARC upon receipt from the Town of Calabash.

Please inform the ARC when you are ready for the inspection.

- 1. I have had the property lines of my lot staked and flagged to identify the corners of my property.

Signed _____ Date ____/____/____

- 2. I have had the location of the fence within my property borders staked and flagged to identify the approved location of the fence.

Signed _____ Date ____/____/____

Please indicate any variation in the location originally submitted with your Change Request – Form G.
